Dear Xing:

You are invited to complete the **EMBA Pre-program Assessment** as part of your program at the Olin Business School. **You and your colleagues should finish the survey within one week.**

To complete this assessment, please set aside about two hours (you can break and come back) to:

- Assess yourself in several assessments
- Nominate at least 5 co-workers or colleagues who can assess your skills (**one manager, two peers and two direct reports**).
  - Note: If you are not able to do this, please nominate people who you have worked with in the past and/or those who know your working style.
  - Please nominate them ASAP so they complete it by August 5 as well (feel free to personally alert them to look for this in their email).

You will receive a copy of your report prior to the first day of class in a PDF form.

Please click on the following link to complete the **EMBA Pre-program Assessment**. Detailed instruction has been emailed to you from the Bauer Leadership Center. Login information is included below.

**NOTE: Remember/save** your Qualtrics password.
