

Executive MBA Class 60

Washington University in St. Louis

OLIN BUSINESS SCHOOL

Important Go!Week Residency Information

Lodging

GO!Week is a 7 day residency at **The Knight Center**. In addition to your classroom and guest room, we've added meeting rooms where your new study team can collaborate well into the evening/night. For the residency, we require all students to stay overnight at the hotel for the entire week. **If you are coming from out of town** and would like to arrive a night in advance, let us know, we'll make sure your room is available for Saturday night, August 24th. We will be starting mid-afternoon on Sunday, so factor in the start time.

Check-In

Please arrive in time to complete the program check-in process **between 2:30 p.m. and 4:15 p.m. on Sunday, August 25th**. We'll be sending you an IT Help and photography appointment time to help gauge your arrival time.

EMBA team members will be available to answer your questions on lodging options, technology requirements, parking guidelines and any other EMBA-related questions.

Dressed For Photos

A photographer will be on site Sunday afternoon to take your professional photo. Business attire is recommended. A photo schedule is coming your way so use that time to determine when you arrive.

Schedule

The academic program begins with an **opening session at 5:00 p.m.** The week's activities will include credit bearing classes, special sessions and study group time. The GO!Week class schedule is included. **All sessions are required.**

GO! Week Dress Code

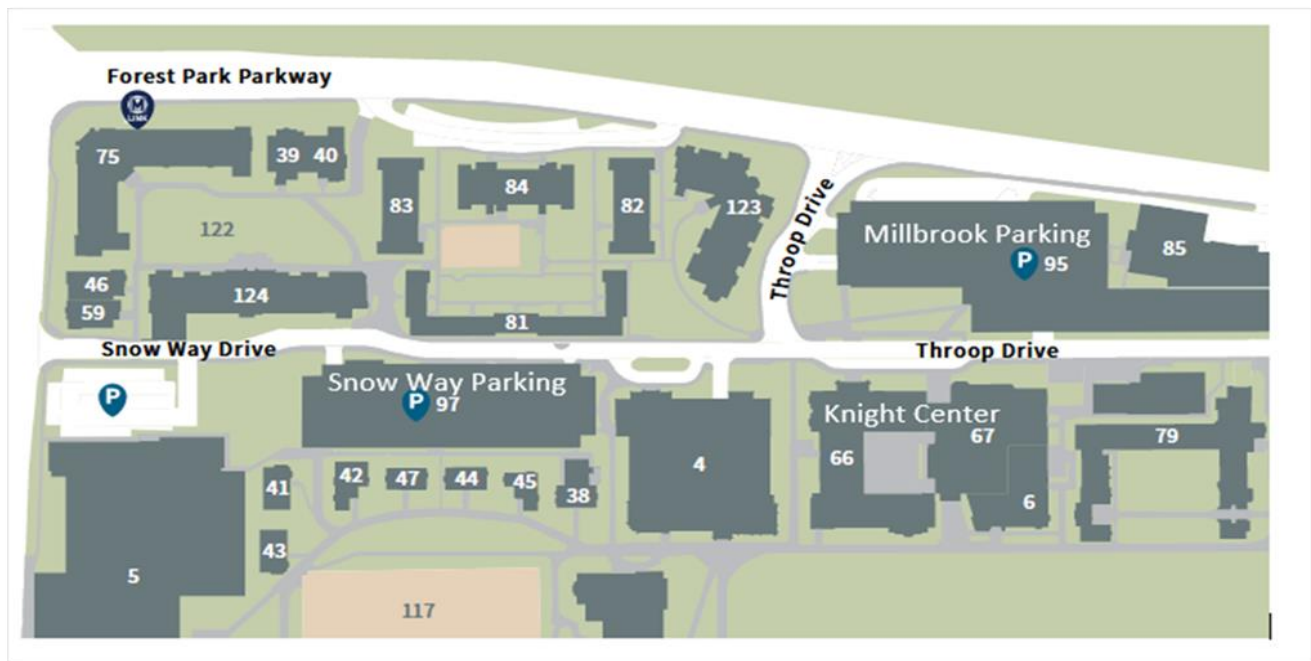

Attire is business casual for class. You may also want to pack a sweater or light jacket as the classroom temperature can be cool at times. In addition, pack casual clothing for evening team sessions.

Parking while on Campus

GO!Week: You will have free parking for GO!Week in the covered Millbrook garage. Pull a ticket as you drive in and drive up the ramp to the visitor parking area. Millbrook is right across from the Knight Center where you have classes. We will distribute your annual parking pass on Sunday and you will use that for exiting the garage at the end of GO!Week and on class weekends.

Class Weekends: You will need to use your EMBA parking pass that was distributed during GO!Week to enter the **Millbrook** garage on regular class weekends **ONLY**.

- Park **ONLY** in the **YELLOW** designated parking spaces
- Make sure your **parking permit** is **VISIBLE** from the outside of your vehicle

Go!Week Residency Check List

Start of GO! Week

- ☐ Check your student email regularly. All messages from administration and faculty are sent to your WUSTL email account.
- ☐ Review course packets and syllabi to complete course readings.
- ☐ Complete these tasks before Go!.
 - Complete your GO!Week Registration: <https://forms.gle/uLx4tDmPrKhKUES1A>
 - Submit a photo for your student ID: <https://idphoto.wustl.edu/>
 - Read the following documents:
 - Attendance Policy (in this PDF)
 - Grading System and Academic Performance Standards (in this PDF)
 - Class Recording Policy (in this PDF)
 - EMBA Student Handbook (attached)
 - Olin Business School Code of Conduct (within Student Handbook)
 - Integrity Matters (attached)
- ☐ Sign and return Statement of Understanding. This will be given to you during GO!Week

Tech Info

You have received an email from the Office of the University Registrar (registrar@wustl.edu) instructing you on how to complete the following items prior to your **GO! Week** arrival:

- Set-up your **WUSTL Key** by establishing a Log-in and Password. Your personal WUSTL Key will give you access to WU websites, LinkedIn Learning, class materials, and personal information such as grades and tuition services.
- Once your WUSTL Key is set-up, please take a moment to set-up your mandatory **student email** account. <https://it.wustl.edu/services/email-calendaring/>
- A **laptop** will be required for your Executive MBA coursework. PC is best for working in Excel. Please bring your device to GO!Week.
- **Microsoft Office** is available to Washington University students at *no cost*. After you create your WUSTL Key and password, the software is available for download at this website: <https://it.wustl.edu/home/how-to/office-2016-2/office-for-home/>

Attendance Policy

Because of the interactive nature of the EMBA program, it is expected that students attend each meeting in-person, prepared for active participation in the class. Absences as well as class participation via ZOOM should be limited to instances of family emergencies, illness, and rare business commitments. In the event of planned absences, students should contact their academic advisor in advance.

Course Absences: Missing more than 25% of the class hours for a course will require students to take an equivalent course in the MBA or EMBA program. Irrespective of the 25% rule, a faculty member may decide that certain sessions cannot be missed and therefore students must attend those sessions at a later date with a future EMBA cohort (e. g., live simulations in several courses are required).

Modality: Because the greatest value of the Olin EMBA is realized when participating in person, and the Executive MBA program is not designed to be an online program, ***the expectation is that students will attend classes in person*** whenever possible. Permission to join class virtually will be granted under special circumstances only.

Make-Ups: Performance and grading may be affected by a lack of attendance. Students must notify their academic advisor as well as the course instructor if they will miss a course session. The Academic Advisor will work with the student to determine a make-up plan that meets the professor's approval. Excessive course absences may lead to academic probation or suspension.

75%

Attendance required for each course

Grading & Academic Performance

Grading System:

HP High Pass Up to top 20% of any course*. (Equivalent to high A)

P Pass Satisfactory performance. (Equivalent to a grade between A & B)

LP Low Pass Minimum level of acceptable performance. (Equivalent passing grade of C)

NP No Pass Performance is below passing quality.

Academic Probation: Any student with an NP grade or more than 3 LP grades will be placed on academic probation. The student's case will be considered by the Academic Review Committee and they will be in jeopardy of immediate academic dismissal.

Graduation Eligibility: Any student with an NP grade or with more than 9 hours of LP grades is ineligible to graduate.

Study Team Performance: Effective performance in study teams is vital to success in the Executive MBA program. Therefore, demonstrating a capacity to work effectively in teams is mandatory for remaining enrolled. Failure to demonstrate effective team performance carries the same consequence as any other academic performance problem, up to and including immediate dismissal from the program.

“Low Pass” (LP) Grades: Any student earning more than 1 LP grade is encouraged to meet with the Academic Director to determine the underlying cause of the low grades and to develop a plan for improving performance.

“I” Incomplete: Course work is not complete on the date that grades are recorded. After 90 days an incomplete grade is automatically changed to a “No Pass” unless prior arrangements have been made with the Academic Director and the faculty member teaching the course.

“No Pass” (NP) Grades: In the case of an NP grade, the student will be required to re-take the course or to take a pre-approved equivalent course in the MBA or PMBA program. Graduation will be delayed until completion of the make-up course.

“W” Withdrawal: Used for instances when illness or extenuating circumstances require withdrawal from a course prior to completion.

*Top 20% of cohort at graduation are eligible for the **Beta Gamma Sigma Business Honor Society**

*Top 7% of cohort at graduation are eligible for a **Charles F. Knight Scholar**

Class Recording Policy

All Executive MBA students are expected to attend class and be prepared for active participation at each meeting. If you find yourself in a situation in which absence cannot be avoided, you may **watch an online recording** of a class session to catch-up but it will not be counted as attendance credit.

All Executive MBA program recorded material is protected under the copyright laws of the United States. Therefore, we ask you to sign the policy statement, which will be kept on file until you graduate, indicating your understanding that class session recordings are the intellectual property of each individual instructor and under United States copyright law may not be copied or distributed without express written permission.

Please be aware, however, due to the interactive and dynamic nature of Executive MBA sessions, it is impossible to capture the experience completely through a recording. Class recordings are simply one tool we provide to aid learning when absences are unavoidable and cannot be relied upon as a replacement for attendance at class.

Furthermore, in regard to the EMBA Attendance Policy, viewing recordings of missed class sessions is not considered a substitute for or equivalent to live classroom participation.

REMINDER:

In the event that you must miss a class session, e-mail the faculty member with a carbon copy to Cari Allen, EMBA Advisor, in advance of the missed session. You are responsible to make arrangements to cover any missed material. Written assignments should be submitted in advance whenever possible.
