POLITICAL TENDENCIES, WILL, SKILL: Feedback Report

This report is organized around the following sections:

Part 1: Political Tendencies

Part 2: Political Will

Part 3: Political Skill

PART 1: POLITICAL TENDENCIES

The graph below shows your overall **Political Tendencies Score** (min = 0, max = 100).

Innocent Lamb (0 to 15):

“Skill and hard work alone will get me where I want to be.”

Straight Arrow (16 to 35):

“Politics happen – but I’m a straight shooter and won’t play the game that way.”

Survivalist (36 to 55):

“I have to practice at least some politics in order to achieve my career objectives.”

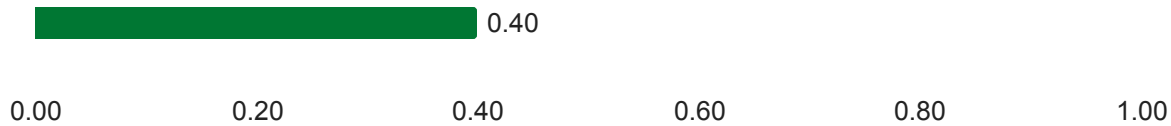

Company Politician (56 to 75):

“I embrace politics as the ‘rules of the game’ – I play fair but I play to win.”

Machiavellian (76 to 100):

“All that matters is having power and influencing others – whatever it takes.”

Political Tendencies - Self-Protection

Political Tendencies - Self-Protection (1 is high likelihood, 0 is low)
