Why Choose Five Star Painting®?

Customer Focused

We respect your schedule by showing up on time, we respect your budget by giving you an up-front quote, and we respect your home by cleaning up after ourselves each day.

Experience

Five Star Painting has painted thousands of homes and businesses over the years. You can feel confident knowing that we have more industry knowledge than the majority of our competitors.

Attention to Detail

We assign a Project Manager to every job to ensure efficient communication between you and our paint crews. Before the job is complete and the final invoice is paid, your Project Manager will perform a Five-Star walkthrough to inspect your project for any last-minute touch-ups.

Licensed and Insured

We comply with all local laws to ensure we provide our customers with the best service around, and we carry workers compensation insurance in the unfortunate case of an accident.

Locally Owned and Operated

You can feel good knowing that when you hire Five Star Painting for your home improvement project, you are supporting a business owner within your local community.

Neighborly®

Five Star Painting is proud to be part of Neighborly, a community of home service experts. From plumbers to painters and everything in between. Visit Neighborly.com to get advice, quickly find a local pro, see past service history, schedule maintenance reminders and more!

2 Year Warranty

To provide peace of mind, Five Star Painting offers a 2 year warranty to our residential and commercial clients.

Qualifications

- Pay Five Star Painting in full at the time of job completion or as otherwise arranged.

The following prep lists will help us complete our work quickly and cause less disruption to your routine if taken care of prior to our arrival.

INTERIOR PREP LIST

- Disconnect any wiring from computers, televisions, etc.
- Remove any items on the walls in the areas we are painting. If pictures, hanging items, etc., are staying in their current location, leave their hardware in the wall. If not, remove hardware so we can patch.
- Clear counters, tables, dressers, and shelving of any items.
- Rooms should be clear of clothing, papers, towels, throw rugs, personal hygiene items, etc.
- If closets are to be painted, please have them empty prior to our arrival.
- Remove toilet tanks, mirrors, etc if you wish to have the areas behind them painted.
- Remove curtains and drapers. FSP is not responsible for any damaged window treatments.
- Make necessary arrangements for pets. We love pets but do not want them getting paint in their fur or on your furniture, floors, etc.
- If you are sensitive to odors or pregnant you should try to make arrangements to stay away from the home for the duration of the project.

EXTERIOR PREP LIST

- Cut back all bushes, trees, etc. that are touching the structure being painted and take down vines which are close to or connected to the house. If this is not possible, we will do our best to paint behind them but cannot guarantee perfect coverage when doing so.
- Remove and store all items from your front or back porch/deck/patio prior to the soft pressure washing. This includes furniture, grills, plants, etc.
- Make sure all windows and doors are closed prior to our arrival for pressure washing.
- Make sure water spigots and outdoor electrical outlets are operational.

CABINETS PREP LIST

- Push dishes to the back of cabinets so that we can set up our masking system.
- If your drawer faces do not remove from drawers, empty your drawers.
- Clear and clean countertops and floors.
- Plan to have limited access to your kitchen. Call us for details.
- Clear space in your garage for us to do our work. The size of a two car garage is preferred.

A FEW NOTES:

Unless otherwise notified, our guys will arrive on the scheduled date between 8a & 10a then will discuss an arrival time going forward. We will move furniture/appliances if you need us to but will not be responsible for broken or damaged flooring/furniture/property. We do our best to not damage property, but accidents happen.
